# ZOOM Legal Guidelines

**In addition to the handouts and signs in this guide, you may want to create your own printed materials to advertise and enhance your ClubZOOM. Please read and follow the legal guidelines below for all printed materials (brochures, fliers, handouts, etc.) that you produce.**

**All print pieces you create for your ClubZOOM must be approved by WGBH before they are printed and distributed.**

**Amy O'Toole** at 617-300-3950 or at amy\_otoole@wgbh.org

## **The Logo**

- The ZOOM logo must always have a trademark symbol (™) in the upper right-hand corner. In other words, the ™ is part of the logo, and every use of the logo should include the ™.

## **ZOOM in Text**

- The word "ZOOM" should always appear in uppercase letters.
- The first or most prominent use of the ZOOM name in text must have a trademark symbol (™).
- "By Kids, For Kids™" is a tag line that can be used—where appropriate—in proximity to the ZOOM logo.
- The term "ZOOMer™"—a kid who watches ZOOM, surfs the ZOOM Web site, and sends his or her ideas to ZOOM—can be used when referring to your kids.

## **Funder Credits**

- The footer of any printed piece that contains the ZOOM name or logo must include the following language:  
**ZOOM and the ZOOM words and related indicia are trademarks of the WGBH Educational Foundation. "PBS KIDS" wordmark TM PBS. Used with permission. Funding for ZOOM is provided by the National Science Foundation, public television viewers, and the Corporation for Public Broadcasting.**
- In addition, any printed piece that contains science content must have the following language:  
**Any opinions, findings, and conclusions or recommendations expressed in this material are those of the author(s) and do not necessarily reflect the views of the National Science Foundation.**

Note: You will be notified of revisions to this language as additional funders come on board.
