

What You Need

- blindfold • markers
- paper • partner

Blindfolded Self-Portrait

- 1 **Blindfold** your partner. Then **give** your partner a marker and a sheet of paper.
- 2 **Place** your partner's hand on the paper and watch him or her **draw** a self-portrait.
- 3 **Remove** the blindfold to let your partner **see** the **results!**
- 4 Now it's your turn. **Switch roles** and give it a try!

Try It
Out!

What happens if you spin around before drawing a self-portrait? What happens if you draw with the opposite hand? What other things can you draw while blindfolded?
