Making an Emergency Supply Kit

Help your family pack an emergency supply kit. Talk about the things your family will need. Check each item as you add it to your kit.

- Water (at least one gallon of water per person, per day)
- First aid kit
- Flashlight
- Cellphone and chargers
- Toothbrush, toothpaste, soap
- Canned and dry food
- Manual can opener
- Sleeping bag or warm blanket (for each member of your family)
- Change of clothes and sturdy shoes (for each member of your family)
- Battery powered or a hand crank radio
- Books, games, puzzles
- A favorite stuffed animal or toy

Keep your kit in a safe place and refill it with fresh items often.

Remember Daniel Tiger’s song:
“Take a grownup’s hand, follow the plan, and you’ll be safe.”
