- Grains of rice, noodles, small dried peas...
- Glue and scissors

Put a large handful of rice, noodles, or dried peas into each bottle.

Close the cap tightly.

- Glue them around the bottles.

You now have Maracas, musical instruments coming from South America!

### Play Music...

Hold one maraca in your right hand and one in your left, and shake them one at a time to create a beat.

Here is a rhythm to start:
